

## Digital Multimeter NF-628

### Item Specifics:

Is\_customized: **Yes**

Brand Name: **Noyafa**

Model Number: **NF-628**

Place of Origin: **Shenzhen.China**

Main function: Testing Voltage, Current, Resistance etc

Color: **Black & red**

Warranty: **1Year**

### Introduction:

#### 1. 6000-Count High-Definition Display

Equipped with a 3.5-digit 6000-count FSTN display for clear readings and improved measurement accuracy.

#### 2. Multiple Measurement Functions

Supports AC/DC voltage, AC/DC current, resistance, capacitance, frequency, diode, continuity, battery testing, NCV, and live wire detection.

#### 3. NCV and Live Wire Detection

Allows non-contact voltage detection and helps distinguish between neutral and live wires, improving safety during electrical inspection.

#### 4. MAX/MIN and Data Hold Functions

Easily capture maximum, minimum, and current readings for more efficient troubleshooting.

#### 5. Backlight and Flashlight Design

Built-in screen backlight and flashlight make it convenient to use in dark or low-light working environments.

#### 6. Safety Protection Features

Includes overload indication, buzzer alarm, low-battery indication, and auto shut-off after 15 minutes of inactivity.

#### 7. Wide Measuring Range

Measures up to 1000V DC, 750V AC, 10A current, 60M $\Omega$  resistance, and 100mF capacitance, meeting a wide range of professional testing needs.

### Technical indexes:

Model No.	NF-628
Display word count	3.5 digits display 6000Counts, display refresh rate is about 3Hz, over-range highest digit displays OL or -OL
LCD Type	FSTN(Positive display)
Diode/on-of fmeasurement	√

Duty Cycle	1%-99%
Low battery detect	√
Live wire test	√
NCV	√
Over range indication	√
Buzzer alarm	√
Lamp	√
Backlight	√
Auto Off	Auto Off if there is no operation within 15 min
Power Supply	2 AA batteries
Product size	191x88x55.5mm
